Kanojo ni Naritai is like that for me: I love the band but I have an incredibly hard time enjoying the songs, because so much of what makes them great is the pure falsetto of their vocalist." 4. Kanojo ni Naritai is titled after the song by Lia feat. Passerby. 5. Isao's career as a visual

artist. "I draw a lot," he says. "Whenever I'm not too busy, that's the thing that occupies my time. I'm also a landscape artist. I also have quite a bit of interest in film." 6. He loves obscure bands like Octopus Eel, but especially loves Falco. "My friend suggested I check Falco out, but I knew nothing about them. I was like, 'We'll listen to something from a different country' - the main band's name sounds like a word that's not really a word - so we listened to a song from across the ocean. Then I listened to everything from that band. I realized that Falco is the best band out of any country in the world." 7. He doesn't really drink, but he likes the
